PURSUANT TO 37 C.F.R. 1.181(a)

The above-referenced application was filed on May 22, 1998, accompanied by a

Dunner, L.L.P. Furthermore, this document requested that all correspondence regarding the application be sent to Finnegan, Henderson, Farabow, Garrett & Dunner, L.L.P. at 1300 I Street, NW, Washington, DC, 20005-3315. A stamped postcard receipt (attached at Exhibit B) indicates that the Revocation of Original Power of Attorney and Grant of New Power of Attorney was received by the U.S. Patent and Trademark Office (USPTO).

According to the Examiner, a first Office Action was mailed on October 13, 2000 to Richard A. Jordan, 9 Standish Road, Wellesley, Massachusetts, 02181-5317, i.e., the prior attorney of record. However, neither the Applicants nor the attorney of record received the Office Action. When no response was received, the Examiner held that this case had been abandoned.

Through the attorney of record, Applicants filed a Status Inquiry on November 21, 2000 (attached at Exhibit C) that was received by the USPTO, as evidenced by a stamped postcard receipt (attached at Exhibit D). No response to the Status Inquiry was received. Applicants filed a Second Status Inquiry on November 8, 2001 (attached at Exhibit E). In response, the USPTO issued a Status Letter Reply (attached at Exhibit F), stating that a restriction/election requirement was mailed on October 13, 2000 and that the address of record is 9 Standish Road, Wellesley, Massachusetts, 02181.

In a subsequent telephone conference with the Examiner on December 17, 2001, Applicants first learned of the holding of abandonment. In that telephone conference, the Examiner confirmed that the file at the USPTO contained the Revocation of Original

Power of Attorney and Grant of New Power of Attorney filed on May 22, 1998 but that the USPTO records had not been updated to reflect the new attorney and correspondence address.

Therefore, pursuant to 37 C.F.R. § 1.181(a), Applicants petition for the withdrawal of the holding of abandonment in this case and the re-mailing of the outstanding Office Action to the proper attorney of record, i.e., Finnegan, Henderson, Farabow, Garrett & Dunner, L.L.P. at 1300 I Street, NW, Washington, DC, 20005-3315. This action is supported by M.P.E.P section 711.03(c)(II) which states that "an allegation that an Office action was never received may be considered in a petition to withdraw the holding of abandonment. If adequately supported, the Office may grant the petition to withdraw the holding of abandonment and remail the Office action."

If there are any other fees due in connection with the filing of this response, including any fees required for an extension of time under 37 CFR § 1.136, such an extension is requested, and the Commissioner is authorized to charge any related fees to our Deposit Account No. 06-0916.

Respectfully submitted,
